Policy Objectives Descriptions:

1 Stimulate and develop leadership among women
2 Contribute to the social wellbeing of the province by establishing WI and its branches as social and educational centres
3 Support increasing public trust in agriculture through activities to promote a greater understanding and appreciation of the influence and importance of the agricultural industry
4 Contribute to the social wellbeing of the province by promoting activities related to national and international understanding, tolerance and goodwill
5 Contribute to the social wellbeing of the province through activities to support WI members in being informed about community needs
6 Establish strategic partnerships with other organizations to advance WI's goals
7 Support community food security through public activities to learn about healthy, local food
8 Promote diversity and inclusion
