

SCHOLARSHIP OVERVIEW:

Volunteerism is the heart of community. Without volunteers our quality of life would be greatly different. The Women's Institute Organization was founded by a volunteer who from a tragedy in her own life, wanted to ensure no other mother would have to suffer such loss and heartache. So with education as her focus she began her crusade to empower women through education.

With a focus on education and a heart for volunteerism, this scholarship is to be awarded each year to one student graduating from any Prince Edward Island high school. The student must exhibit a heart for his or her community by engaging in volunteer work while still maintaining a good academic standing.

The Marie Kenny Community Builders Scholarship shall consist of \$100 each year to be presented to a worthy recipient until the funds are depleted.

It is completely at the discretion of the PEIWI Awards Committee to determine the winner of the Scholarship using the main determining fact of community volunteerism.
